SPLENDID ARTICLE.

The Glenmore Whisky is distilled at the Glenmore Distillery, in Davies county, Kentucky, which distillery was started about 24 years ago by Mr. R. Monarch, and, at which distillery, for years, there were distilled the famous brands of "Glenmore."

The whisky is of the heavy bodied Davies county type and has always been a favorite and a good seller amongst the most discriminating trade who insist on getting heavy bodied goods.

The distillery is located about 1 1/2 miles east of Owensboro, Ky., on the Ohio river, on one of the most ideal distillery sites in the State.

In 1901 a vast amount of money was put into the plant in improvements until it is now recognized by the trade as one of the very best houses in the State. The water supply is very fine, and is inexhaustible, so that whisky can, to good advantage, be made at the distillery at any season of the year. The goods have a peculiar character that we have seen in no other whisky, and which individuality causes the customer to stick to the brand and make it very hard for others to try to substitute other goods for it.

The whisky is distilled on the sour mash survey. The utmost cleanliness is maintained throughout the distillery, in fact, the most delicate plant will grow anywhere around or under the fermenters or the yeast room. The distillery is operated on a very large scale, has an output running from 120 to 150 bbls. per day.

FRANKFORT, OCTOBER 8, 1904

THE STREET FAIR.

The Street Fair was held this week as announced. The shows, both free and pay, were a little above the average of such affairs. Especially, the high dive (from a platform 100 feet above a water tank only about five feet deep) and the spiral ball. The balloon ascensions were perfect successes and no accident happened to mar them until Thursday, when an accident occurred, of which on account is given elsewhere.

The fireworks were up to the average and some of the newest pieces were beautifully and artistically displayed.

So far as the crowds in attendance were concerned they were much smaller than any that have attended the Fairs given heretofore.

While there was but little if any public gambling (as heretofore), we are informed that any one who wished a quiet game could be easily accommodated.

The behavior of the crowds during the day was fairly good, but the conduct at night was simply outrageous, and girls and ladies, unaccompanied by protectors, were pushed, pulled and hauled about in a disgraceful way that came near, on several occasions, producing trouble.

It was promised that there should be no rubber balls allowed or the cane nuisance, but no attention was paid to the promises of the managers, and the flour throwing became so annoying that the Mayor was forced to issue a proclamation absolutely forbidding it, after which it was measurably abated.

The music furnished by the First Regiment Band, Kentucky National Guards, and the Carnival Band was exceptionally good, especially that furnished by the first named.

We gravely doubted the propriety of holding the Fair this year, and our doubts have been more than fulfilled. So far from being of any benefit to our city, we are convinced that it was almost an unmitigated evil, and we earnestly hope that no other may ever be given.

There has been a want of harmony among the managers and a pulling in different directions which would injure a much better cause.

DESERVED COMMENDATION.

Each afternoon during the Fair the Roundabout office was honored by the First Regiment Band with several of their choice selections of popular music, the rendition of which could not have been surpassed by any band in the State. In fact, this band, as now constituted, and under the efficient leadership of Capt. W. H. VanWinkle, is an institution the citizens should

Dr. Miles' Nervine Cured Them Both.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure.

"I feel it my duty to let you know that your medicines have cured my little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said trouble was epileptic in a mild form. He did her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nervine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness, and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for sick headache with good results. We all thank you for your good medicines and kind advice. I don't think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—MRS. LILLIAN BARKETT, Springdale, Ark.

QUESTION VEST COULDN'T ANSWER.

The late Senator Vest, of Missouri used to say that the hardest question he ever was called upon to answer was put by the Rev. Dr. Styles, pastor of the Presbyterian Church, at Frankfort, Ky., in which the Senator's father and mother held membership. Mr. Vest met the clergyman in Missouri, and the preacher said: "Well, George, are you yet within the folds of the church, and do you still remember the teachings of our good father and mother, long since dead and in heaven, where I soon expect to join them? Now, what shall I tell them about you when we meet, about your Christian life, your daily walk and conversation?" The Senator declared that he felt himself growing pale, and he walked away without even attempting to reply.—Kansas City Journal.

Masters, of Denver, Colo., who was one time a resident of this city, but went west in 1869, soon after the close of the Civil War, referring in 1879, on a visit, was here at the inauguration of Gov. Blackburn, and is now here on a visit for the first time in 25 years.

The following are the names of those present, all near relatives: Mr. John Jessup and family, Mr. W. W. Masters and family, Mr. James Steed and family, Mrs. Drucilla Masters and family, Mrs. L. E. Masters, of Cripple Creek, Colo., Mr. Clifford Boucher and family, Mr. Melvin Boucher and family, Mr. Clinton McCann and wife, Mr. Ralph Hukill and family, Mr. Thomas Gerhardt and family, of Louisville, Mrs. R. F. Anderson and son, of Louisville, Mr. Geo. Gerhardt and family, Mr. J. W. Gerhardt, of Indianapolis, Ind., Mr. William Snow and wife, Mr. and Mrs. H. Hukill and mother, Mrs. John Folles and son, of Hogo Station, Ky., Mr. Lucien James. After partaking of a bountiful feast spread under the shade of a tree, they were all placed in position and a picture of the group taken by Mrs. L. E. Masters. After listening to a beautiful sermon by the Rev. H. Hukill and prayer by Clifford Boucher, all separated expecting never to meet again on this earth but with full hope of meeting in a better world above.

BIG SENSATION.

There was a big sensation in Evansville, Ind., when W. H. Brown, of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma but you, 'New Discovery' gave me immediate relief and soon thereafter effected a complete cure. Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1.00. Guaranteed by all druggists. Trial bottles free."

WELL KNOWN COLORED MAN DIES.

On Saturday last Harry Mordecai, the well known colored plasterer, died at his home in this city. He was an upright and honorable man. He was upwards of seventy years of age and was at one time, quite well to do, but, owing to the wilderness of some of his boys, was considerably reduced.

He was buried on Sunday by his brethren of the Odd Fellows, in Green Hill Cemetery.

CAN YOU EAT?

J. B. Taylor, a prominent merchant of Christman, Tex., says: "I could not eat because of a weak stomach. I lost all strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strength, weight and health." Kodol Dyspepsia Cure digests what you eat and cures. Sold by J. W. Gayle.

RIGHTLY MADE

Vehicles require no better recommendation than hard service. Hard service, honest workmanship and honest prices have sold more carriages for us than all the printed praise we could bestow upon them. You can easily satisfy yourself that this is so, and that you will obtain perfect satisfaction in every detail.

The reputation we have established for good work and fair dealing under the firm name of the Seller Carriage Co. (founded by our Mr. Yeoman and the late Henry Heimiller, Esq., in 1876), we shall fully maintain, in the several departments of carriage building. Our repair and repainting departments are fully equipped, and we wish to say to our friends, should they favor us with their business, they are assured of getting the best work possible.

We have in our ware-rooms a complete stock of factory-made vehicles; also a nice line of our own make of its usual splendid quality. We are prepared to build to order any style of pleasure vehicles.

STAGE

ONE OF THE BEST.

The Howard Stock Co., which have been exhibiting every night this week and which will give the last of their entertainments to night, at the Capital Theatre, is one of the best organizations of its character now on the boards.

Its repertoire is complete, full and sustained, and deserves the best of patronage.

Unfortunately the outside attractions of the Street Fair drew from the audiences that should have attended, and it was to the great loss of those who failed to attend.

If all the entertainments to be furnished by Manager McNamara are of the same high class and we understand they are, we are fortunate.

LIBERTY BELLES COMING.

Great New York City Success Will Appear Shortly at Capital Theatre.

The best and most successful musical play ever written by that famous writer of musical comedies, Harry B. Smith, and which continues to pack the theatres wherever it appears, is that rollicking musical comedy, "The Liberty Belles," which has been secured by Manager McNamara and will be seen here at the Capital Theatre at an early date. The music is entirely original, of a high order of merit and selected from the latest success of New York productions. It is said Mr. Berger, who controls the rights for this opera, had outclassed the best and most famous organizations as far as pretty girls are concerned, and a bevy of more beautiful young ladies have never been seen in any one organization. The patrons of the Capital Theatre have a rare treat in store for them and will doubtless take advantage of it.

SHAKESPEARE'S "TWELFTH NIGHT" AS ARRANGED BY AUGUSTINE DALY.

It is of interest to know that in the present revival of Shakespeare's "Twelfth Night" the text is word for word the same as used by the late Augustine Daly, that scholarly and gifted gentleman whose death was a loss to the American stage. When Mr. Daly made his notable revival of this play some fifteen years ago, he arranged a special prompt book, which by the way, is a rare and interesting document.

When Manager Joseph Shipman engaged Miss Charlotte Burnett for "Viola" he placed it in her hands, saying, as he did so: "I hope, Miss Burnett, that in presenting you with this relic of past greatness, the ghosts of the greatest American actors may hover around you to inspire your season's work."

It would seem that this wish has been granted for wherever Miss Burnett appears she is hailed as a legitimate successor of Miss Han, Mr. Daly's famous star. Mr. Shipman has surrounded Miss Burnett with a large and capable company, including Mr. George Seybold, as Malvolio, prom-

inent in the support of Charles Dalton, Julia Marlowe, and other known stars. Mr. F. J. McCarty as Sir Toby, who was leading comedian with the McCaul, Fay Templeton, Boston Ideal and Emelle Melville Opera Companies, also with Henrietta Crossman in "Mistress Nell." Mr. Joseph Wilson as Sir Andrew, who is widely known for his clever renditions in such plays as "The Prisoner of Zenda," and "Puddinghead Wilson," etc. Mr. Henry Halleck as Duke Orsino, who has a long experience, notably with Frederick Warde and Louis James. Mr. Maurice Stuart, as Sebastian, who's training for this particular part was under the watchful and artistic eye of Viola Allen. Miss Kate Raye as Olivia, recently with Klaw and Erlanger's "Two Orphans," and David Belasco's "Sweet Kitty Bellairs" (Henrietta Crossman.) Miss Irene Eckels as Maria, who won distinction in "Alabama" and "Arizona." Mr. John Saphore as "Feste, The Clown," who has the unique distinction of playing "Polonius" and "First Grave Digger" 1000 times, making a cast the like of which has not been seen in recent years. We are indeed fortunate in securing a performance by this really excellent organization and just here we feel inclined to compliment a large number of our representative citizens who were instrumental in securing this company for one performance on Wednesday, Oct. 12, next. Already everything points to a record breaking audience and Manager McNamara is making preparations to accommodate the banner audience of the present theatrical season.

PILL PLEASURE.

If you ever took DeWitt's Early Risers for biliousness or constipation you know what pill pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but pleasantly give tone and strength to the tissues and organs of the stomach, liver and bowels. Sold by J. W. Gayle.

CANDIDATE FOR ASSESSOR.

We are requested to announce that Mr. Bourbon Quire will be a candidate for the office of Assessor, of Franklin county, to be elected in 1909. That is the term following the one for which the present candidates are interviewing the dear people. Some folks may think this is rather early for such an entry, but "Burb" says he wants, sure, to be in time. Hurrah for "Burb."

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 75c. At all druggists. 1 yr.

MADE ONE ASCENT TOO MANY.

The Result Being Both Legs And An Arm Broken.

Mr. J. E. Moore, the aeronaut, who had been making the ascensions in a balloon each afternoon from the Salender wharf, during the Street Fair, succeeded very well until Thursday afternoon (although he had a narrow escape on Tuesday, when he alighted on the Episcopal Parish House). The ascension, even Thursday was very pretty, but the balloon was blown, by the high northwest wind, over the hill back of the city school building, and when Moore attempted to alight from the parachute, he fell in the top of a tree on the farm of Mrs. Kate M. Williams. The weight of the man's body caused the tree top to split and fall, and, as the man had fallen to the ground, the tree top fell on him, before he could get out of the way, breaking both legs below the knee, one wrist and otherwise injuring him.

Dr. N. M. Garrett was called, and assisted by Dr. U. V. Williams, the fractures were reduced, and later Moore was taken to the City's Daughters Hospital in an ambulance.

The man's injuries are very serious and the physicians say it will be some time before it will be definitely known whether he will recover.

This is the fate that, almost invariably, overtakes the men who follow the profession of aeronaut, and yet they claim there is a fascination about the business almost impossible to overcome.

Excuse us, if you please. Terra firma is where we prefer to remain, for the present at least.

PEOPLE BELIEVE IN IT.

It has been cynically said that anything can be sold by advertising nowadays. This is not so. Many liniments have been advertised but only one—Perry Davis' Painkiller—has stood the test of sixty years' use. To-day its popularity is greater than ever and is based not upon what anything says, but upon what the remedy does. There is but one Painkiller, Perry Davis'.

COLORED MAN KILLED BY C. & O. TRAIN.

On Wednesday night, about 8 o'clock, Ollie Patterson, a colored man, who lived near the Spring Hill distillery, was passing through the tunnel, on his way home, when the west bound C. & O. train, which was belated, ran upon and killed him. Patterson had been drinking and it is supposed became frightened and confused and failed to step out of the way of the train.

The remains were taken charge of by Coroner Graham.

VALUABLE RECEIPT.

There is great complaint among our farmer friends of their poultry dying with limber neck. We have just heard of a remedy which has been tried with perfect success, and hasten to give them the benefit. It is as follows: To a half gallon of corn meal add one to two table spoons full of crab orchard salts, the mass made into a dough. This acts both as a cure and a preventive.

DOWNWARD COURSE.

Fast Being Realized by Frankfort People.

A little backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow. Diabetes and finally Bright's disease.

This is the downward course of kidney ills. Don't take this course. Follow the advice of a Frankfort citizen. Mrs. Amanda Dean, of 18 Taylor avenue, wife of J. T. Dean, boatman, says: "While I did not personally use Doan's Kidney Pills I can highly recommend them for the great relief they afforded my eldest daughter who has always suffered more or less from a weak back ever since a child. On account of this condition it was almost impossible for her at times to lift anything. Accompanying this there was a difficulty with the kidneys which was very annoying and distressing. I learned about Doan's Kidney Pills and procured them for her at J. W. Gayle's drug store. She took them as directed and they helped her in every way. Her back felt very much better and stronger and the difficulty with the kidney secretions was much improved. My youngest daughter complained a great deal of her back hurting her too. I gave her Doan's Kidney Pills and the results in her case, as well, were most satisfactory."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's and take no other.

STAMPING GROUND.

Mr. J. M. Honaker and wife, returned Thursday from a several weeks' visit to St. Louis, attending the World's Fair.

We regret to learn that Mr. Joe Bond, the clever stock trader, is very ill, with little hopes of recovery.

Squire S. B. Triplett is determined to stop the dangerous practice of shooting pistols on the public roads. He fined Bud Thomas, on Thursday, \$50 and costs for this offense.

Dr. L. D. Bourne, wife and child, of Windfall, Ind., are guests of her parents, Mr. J. W. Jameson and wife.

Married—In Frankfort, on Sept. 28, Mr. Zackles Broeckel and Miss Bettie Duvall, daughter, of Mr. Geo. E. Duvall, were married by Rev. O. L. Powers, of Woodlake.

Henry Jackson and son, colored, were tried in the police court Monday, on a peace warrant, and fined \$8 and \$5 respectively.

The fine tobacco crop raised this year is all safely housed. It was feared that the warm weather of last week would cause "house burn," but, happily, that is passed.

Owing to the dry weather, stock water is getting scarce. The Buffalo Spring is lower than for many years, and those owning stock have to drive them to LeCompte's Run for water.

Died—Sept. 29, of heart failure, Mrs. Pernell Miller, wife of Mr. John Miller, aged 29 years. Three children survive her. The funeral services were conducted at the residence, on Saturday morning, by Rev. Mr. Hill, of the Baptist Church, and the remains were taken to Georgetown for burial. She was greatly beloved and will be sadly missed.

Other matters prevented your correspondent from sending a letter for several weeks. UNO.

ONE OF MANY.

H. A. Tisdale, of Summertown, S. C., suffered for twenty years with the Piles. Specialists were employed and many remedies used but relief and permanent good was found only in the use of DeWitt's Witch Hazel Salve. This is only one of the many, many cures that have been effected by this wonderful remedy. In buying Witch Hazel Salve it is only necessary to see that you get the genuine DeWitt's, made by E. C. DeWitt & Co. in Chicago, and a cure is certain. DeWitt's Witch Hazel Salve cures all kinds of piles, cuts, burns, bruises, eczema, tetter, ring-worm, skin diseases, etc. Sold by J. W. Gayle.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.
